

## **2016 Golf Scramble Monday, August 8, 2016**

Dear Sponsor:

Easton Wrestling needs your help.

Our annual golf scramble, hosted by the EAHS Wrestling Booster Club, is being held on **Monday, August 8, 2016 at Riverview Country Club, One Riverview Place in Forks Township.**

Nearly seven decades old, **EASTON WRESTLING** relies on the Booster Club to raise money for its long storied program. The proceeds from this event and others throughout the year help offset the costly fees associated with keeping our tradition alive and well. From the Varsity to the Jr. High programs, our athletes need your support!

We are asking local businesses to donate items or make a monetary contribution to help make this event a success. Funds raised by the Booster Club cover expenses related to out of state tournaments (Reno, Manheim, New Orleans), training, equipment, etc., which allows our high school wrestling program to remain one of the best in the country.
